

2026 National Leadership Conference

High School & Middle School Individual Schedules

Following will be a large file with preliminary schedules for the 2026 NLC competitive events, high school & middle school divisions.

Where can I find the overall Competitive Events Schedule?

Visit the [NLC page](#) to view the [High School](#) and [Middle School](#) Schedule of competitive events.

I see my event, but what if I don't see my name?

Some events have multiple sections. Use the search function (Ctrl/Command + f) to locate your name. If you still don't see your name, please contact your Chapter Adviser and State Leader for next steps.

When should I show up for the event?

Objective Test Events

Arrive at least 15 minutes before the scheduled start time of your objective test. The first time listed in the conference app is when the test begins. (For example, if your test is scheduled from 9:00 AM – 10:00 AM, you will be considered late if you arrive after 9:00 AM.)

Presentation Events

The time listed on this schedule is your **arrival time**. This time includes check-in time. Set-up (if allowed) and your presentation will follow in the assigned presentation space.

Where do I show up for the event?

The location of each event is listed at the top left corner of the schedule.

Can I change my competitive event time?

Competitive event presentation times cannot be changed or switched to another time. To learn more, [click here](#).

Can I observe preliminary presentation events?

No observers or audience members are allowed for preliminary presentations or objective tests. [Click here](#) to see which event finals are available for audience viewing and [click here](#) for more information about being an audience member.

When will we find out presentation finalists?

Finalists and their schedules will be posted by 5:00 AM July 1st.

Event When: Tuesday - June 30
8:30 AM - 12:30 PM
